# WAT IS HIER AAN DE HAND?

SOFTCOVER  
f 9,95 • Bfr. 195

HARDCOVER  
f 29,95 • Bfr. 550

Nou, op de planeet  
Elekton is behoorlijk  
wat aan de hand. Niet  
alleen wordt de formu-  
le voor een geheim  
vernietigingswapen  
gestolen, en overwoe-  
kert een rode plaag de  
planeet, maar een  
machtswellustige wis-  
kundestudent vecht  
op leven en dood  
met keizer Trigie!  
Dit alles in **DE STRIJD  
OM DE MACHT**, het  
negende, geheel her-  
ziene deel uit het  
**TRIGIE**-epos, van de  
hand van niemand  
minder dan  
**STORM-VIRTUOOS**  
en **STRIPSCHAP-  
PRIJSWINNAAR**  
**DON LAWRENCE**.  
Nu in de winkel.

In voetbal gaat  
het allang niet  
meer om het spel,  
maar om de  
knikkers. Met  
grof geld en grof  
geschut wordt  
Rapiditas lang-  
zaam maar zeker  
kapot gemaakt.  
Natuurlijk speelt  
Roel weer een  
sleutelrol, maar  
hij wordt regel-  
matig op het  
verkeerde been  
gezet en dat is  
levensgevaarlijk in
